# Video recordings for preliminary selection for the entrance examination Instrumental/Vocal Interpretation and Performance

## 1. Artistic-musical performance via video recording

- The recordings should be no older than 6 months.
- All files are to be designated with *Major_Surname_Composer_Work_Movement, Date* (e.g. Piano_Smith_Chopin_Etude op.10 No 2_Allegro_251130)
- The works or movements of the performance should be uploaded as a separate document in the cloud drive or, in the case of Youtube videos, directly in the playlist (see 1.2 Upload).
- All movements must be recorded completely, unedited and without cuts.
- Recordings of public concerts may be submitted if they meet the requirements.

1.1 Technology
- Recordings may be made with a mobile phone, camera or laptop computer.
- Video recordings must be made from a fixed camera perspective - the musician's hands and face must be visible.
- The video recording must be made without backlighting.
- The use of a stereo microphone is desired.
- The quality and format of the recordings should meet the following criteria:
  - .mov or .mp4 format
  - HD video (720p; 1080i; 1080p)
  - 256 kbit/s sound resolution

1.2 Upload
- All files are to be uploaded by the candidates to a cloud storage until the 1st of March 2026.
- Eligible cloud services: YouTube (only one link (Playlist)), Google Drive, One Drive, Switch Drive, Cloud Drive or Dropbox. With other providers, please contact the secretariat.
- The link to the videos must then be provided on the ZHdK ONLA registration platform.

## 2. Interviews and Examinations via ZOOM

Personal interviews and pedagogical exams are held via ZOOM. Candidates and jury meet in the virtual office of the head of the jury. The link to follow will be sent to you with the examination schedule.

Candidates from China will be offered a solution via Skype.

2.1 Introduction

2.2 Ruling of the Legal Service ZHdK

Authentication
Before the interview/exam begins, the identity of the candidates must be verified by showing their official identity card. Verification is waived for internal candidates.

Recording
Please note that it is not permitted to record the interviews/exams, also not with external equipment. The ZHdK reserves the right to take legal action in case of violations.

Refusal
If candidates refuse to use ZOOM or to enable the camera, it must be pointed out that this is equivalent to aborting the exam and the exam will be qualified as "failed".
